

GPAQ RESULTS – 2014

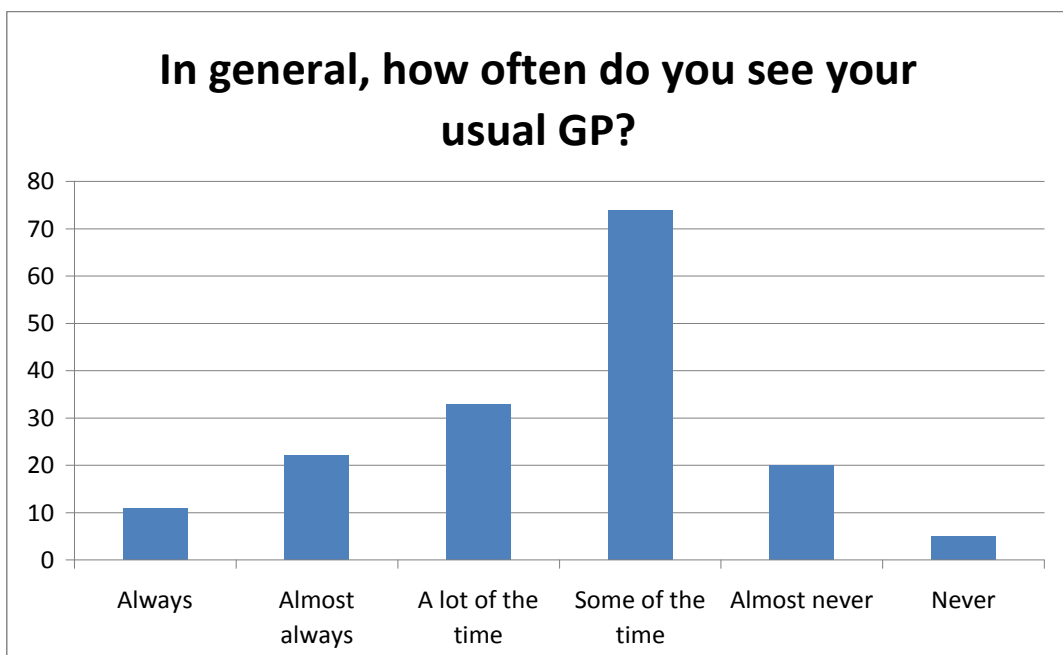

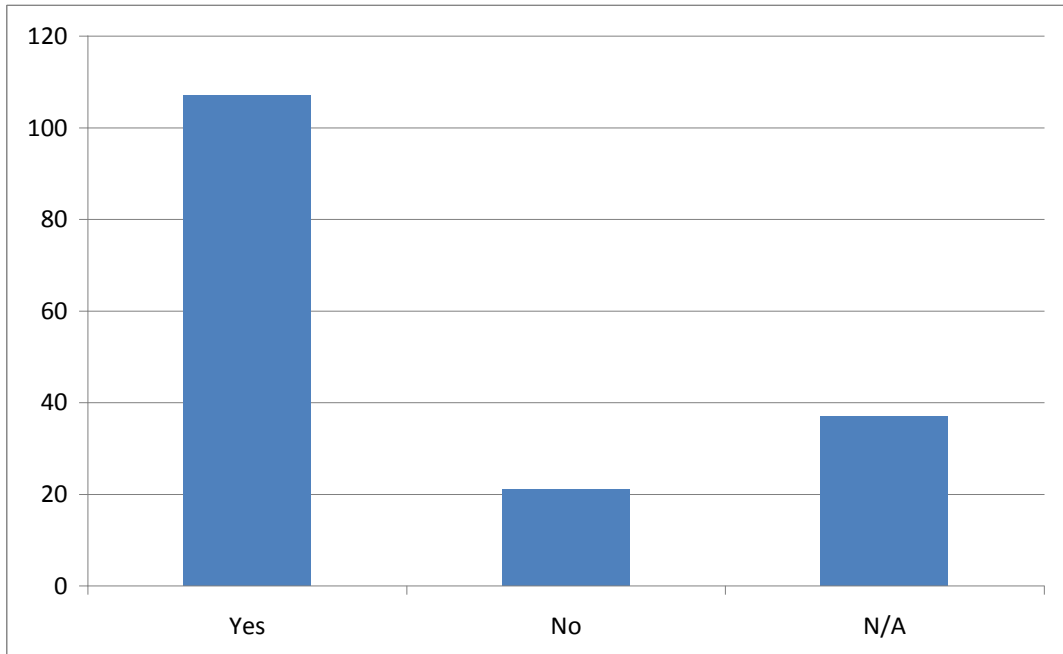

Thinking about when you want to see a particular Dr:

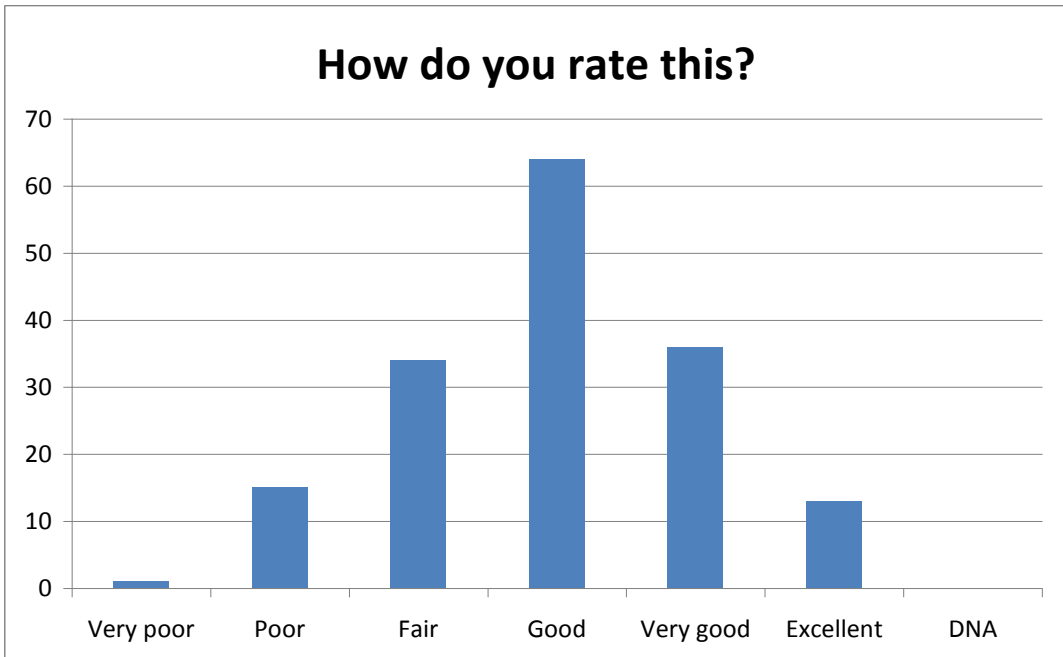

Thinking of times when you are willing to see any Dr:

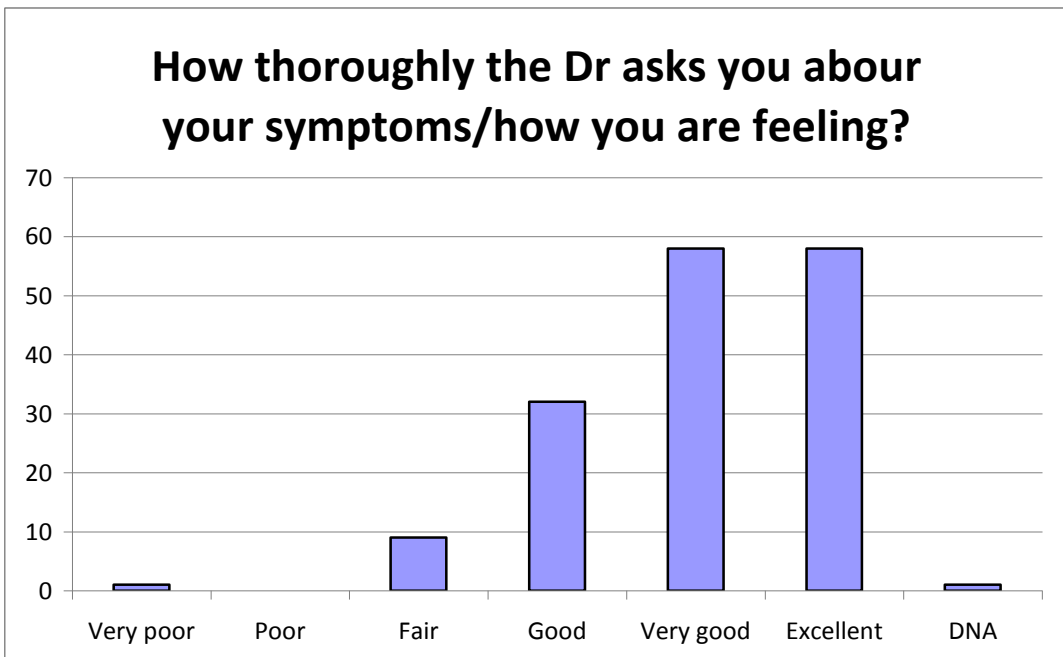

If you need to see a GP urgently, can you normally get an appointment for the same day?

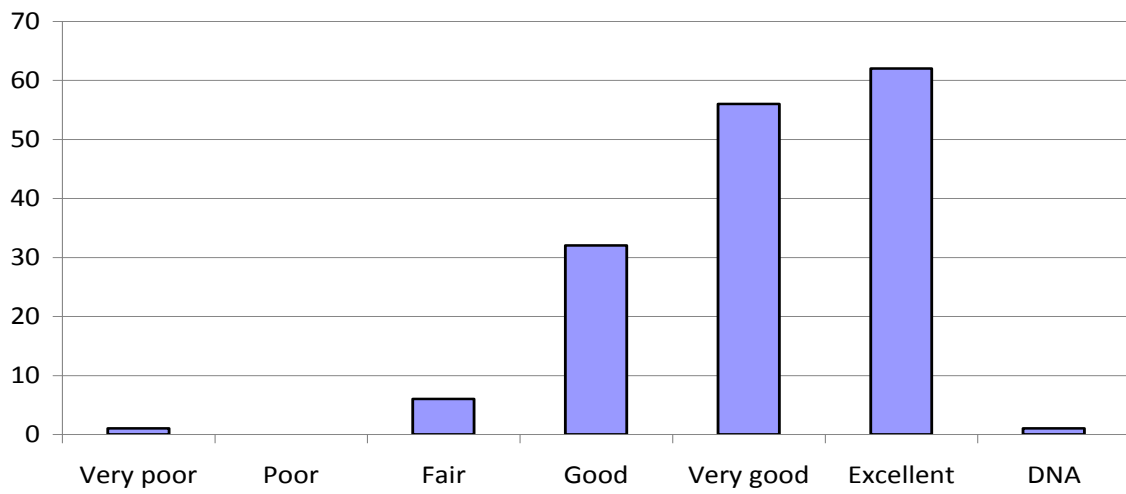

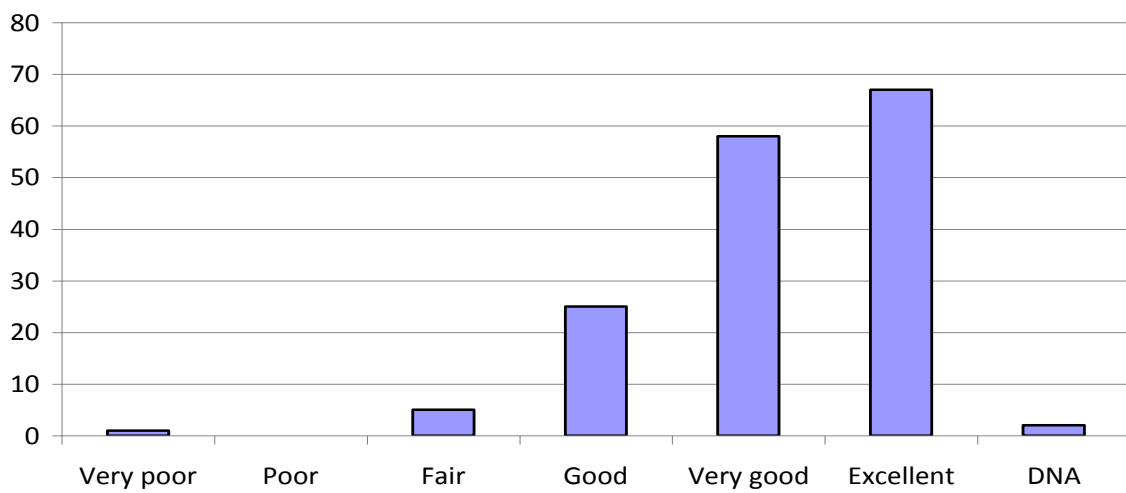

Thinking of when you consult your usual Dr, how do you rate the following:

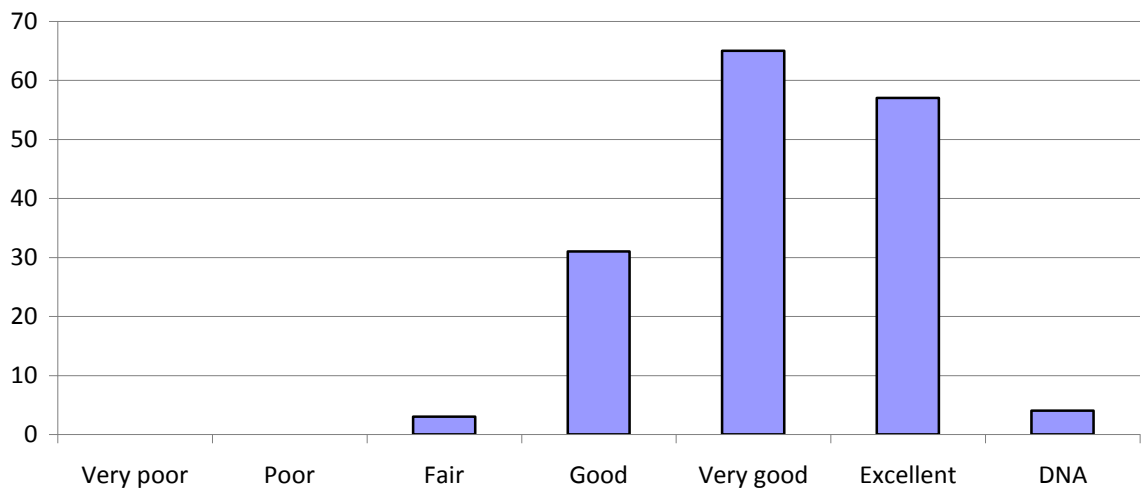

How well the Dr listens to what you have to say?

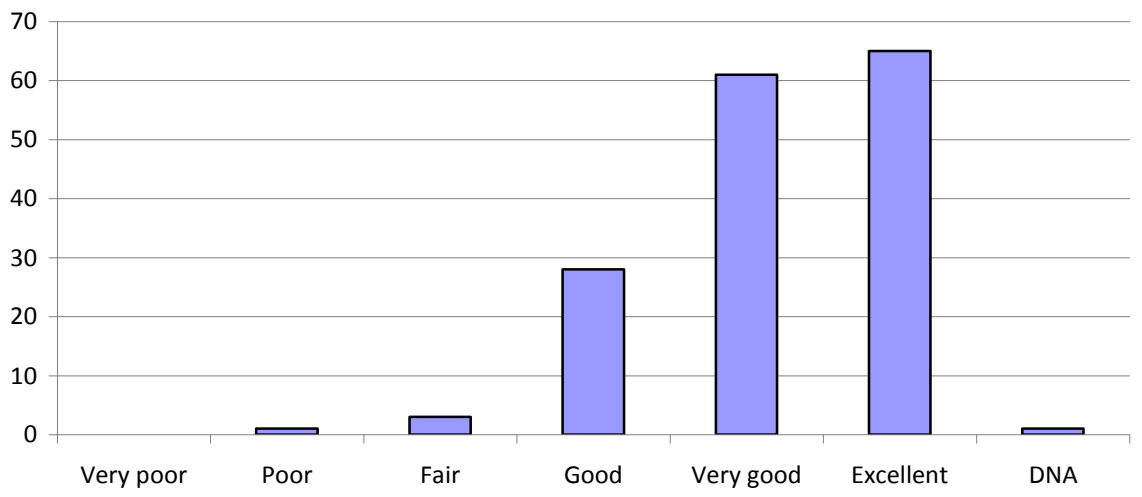

How well the Dr puts you at ease during your physical examination?

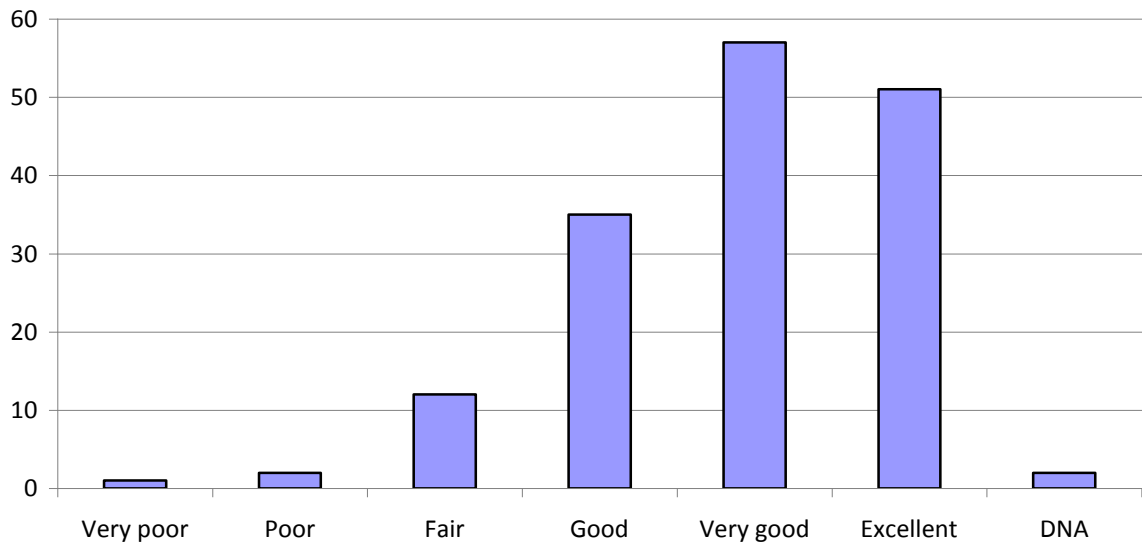

How much the Dr involves you in decisions about your care?

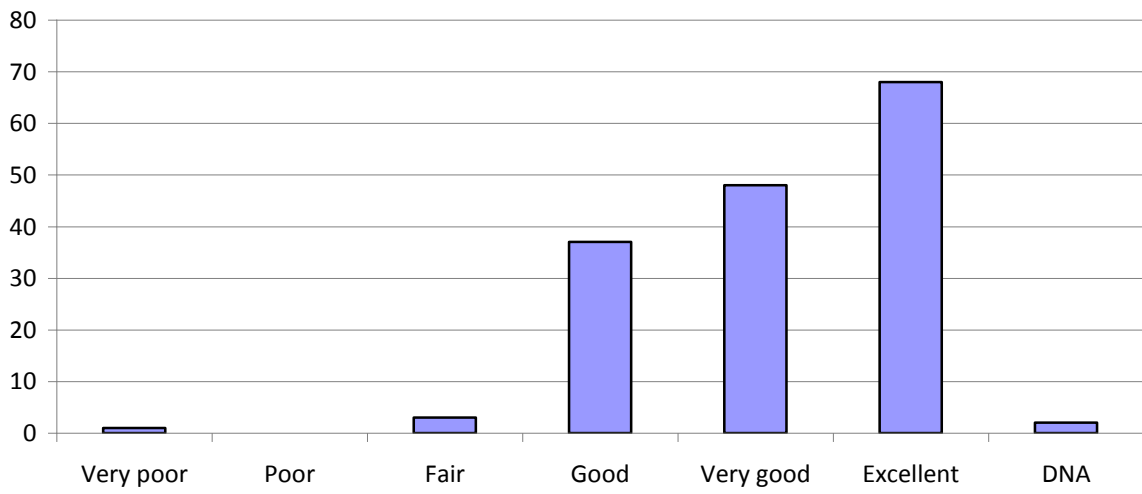

How well the Dr explains your problems/treatment that you need?

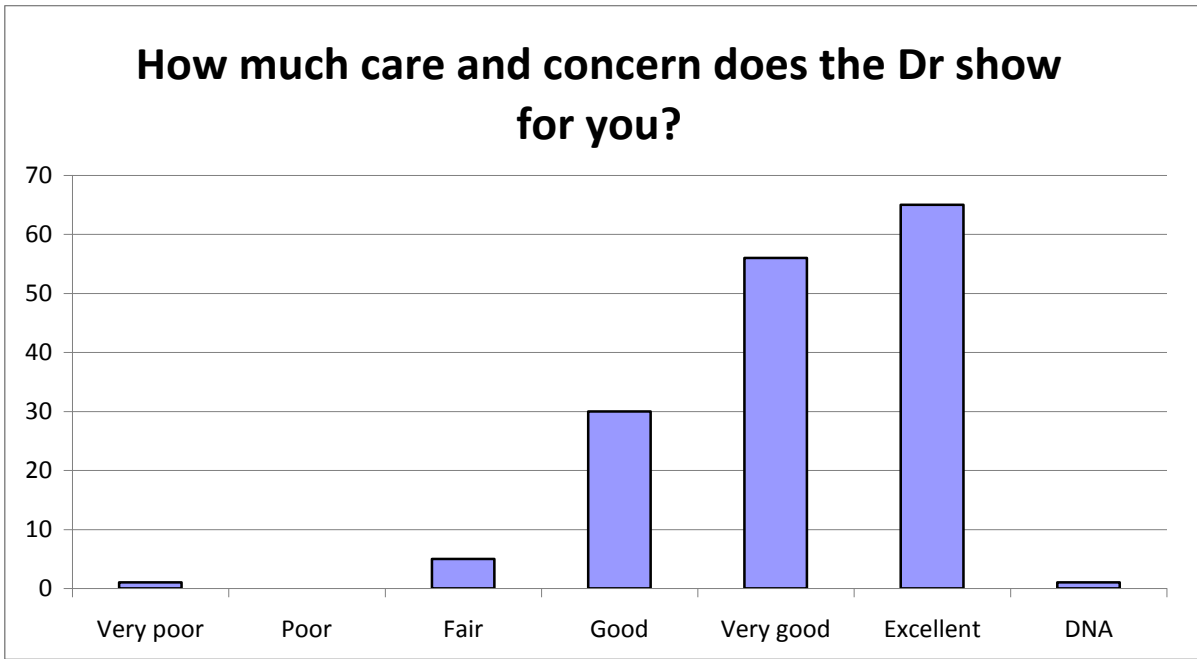

The amount of time the Dr spends with you?

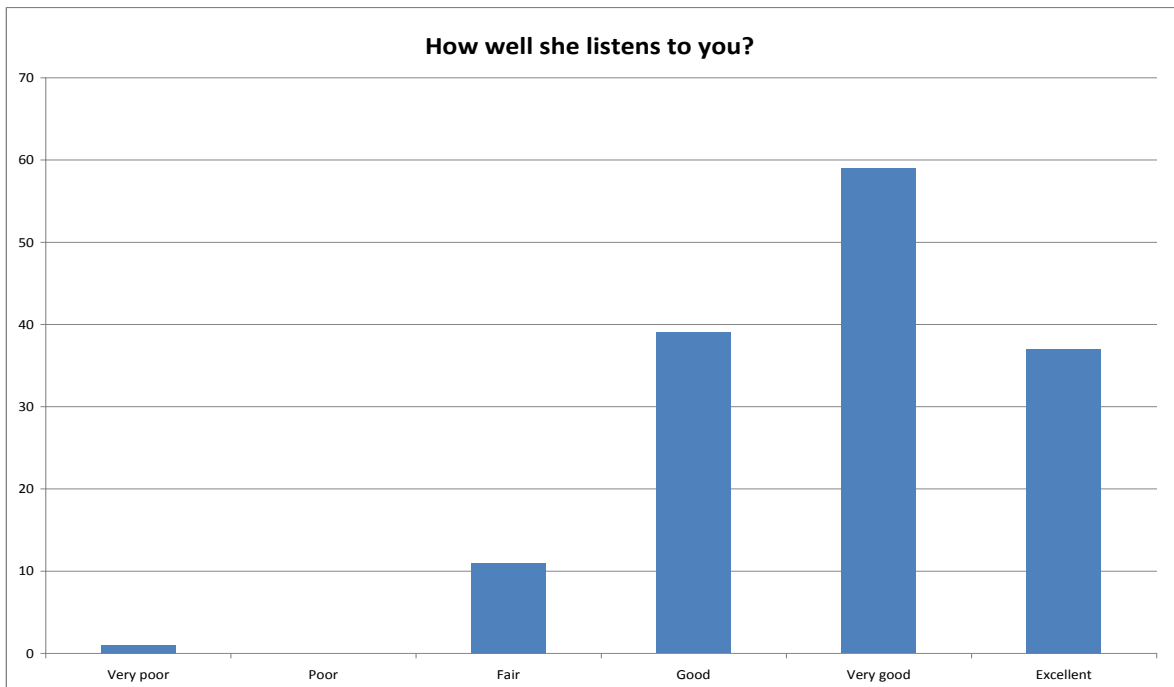

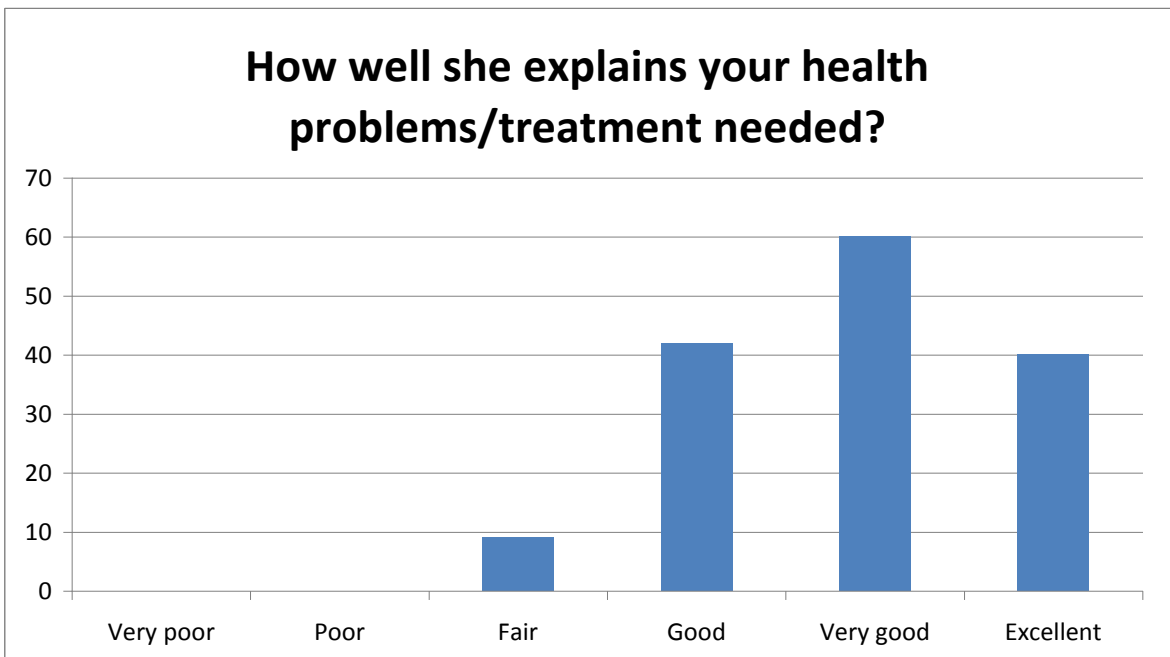

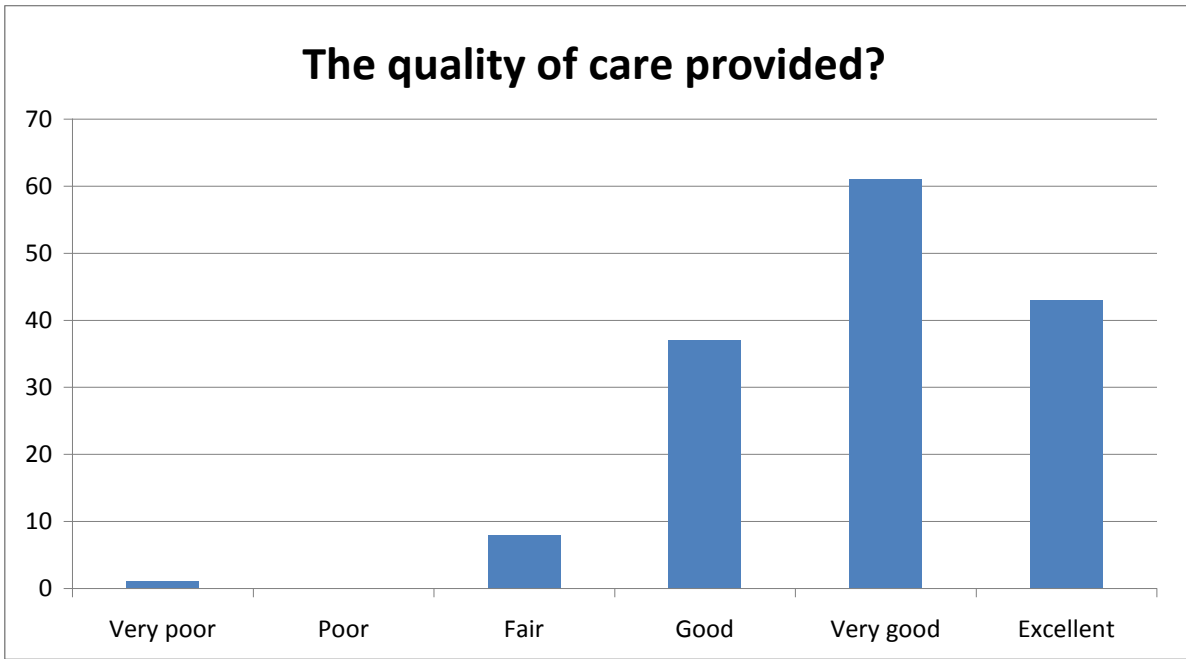

How patient the Dr is with your questions or worries?

Thinking of when you see a nurse how do you rate the following?

Would you like the practice to open a Minor Ailments Unit?

Yes - 150

No - 7
